Dermatology Opportunity - Private Practice

Opportunity to join a well-established, and highly regarded dermatology practice that is currently seeking a second colleague. Seeking board certified or board eligible candidates. Part-time or full-time flexible schedule. The need for an additional dermatologist is due to the area's growing population. **General and cosmetic dermatology, V-beam and Smoothbeam Laser.** Regionally linked to a five county referral base of 450,000+. Stable delivery system

- Extremely competitive compensation with full benefit package.
- Dedicated referral base consisting of 20 clinics and 80+ primary care providers. Secondary referral base consisting of 15 clinics and 31 providers directing the majority of their referrals to this practice.
- Strong support from 150+ affiliated independent specialists representing all major clinical specialties.
- Beautiful area with numerous lakes and unlimited water access, high quality of living, strong economic and population growth, low unemployment, excellent schools, family-focused, and a tremendous number of recreational and cultural activities available.
- Home of the NFL Green Bay Packers, Division 1 College Basketball, and semi-pro Hockey.
- Abundant youth programs in sports, cultural and recreational activities.
- Excellent public and private schools.
- Two local universities (public and private).

Community, Facility, & Organization

Physician Partners, Ltd. (PPL) is a Physician Hospital Organization located in Green Bay, Wisconsin. We have created an organized structure for independent physicians and Bellin Health to join forces and vigorously compete for dominant marketshare in our region. Members share an independent entrepreneurial spirit, and are working together as a team to demonstrate our value to our patients, employers, communities, and payers.

Green Bay, the oldest settlement in the Midwest, has a rich culture and history. Recognized as the hub of Northeastern Wisconsin, it sits on

the Southern shores of the waters of Green Bay, 100 miles from Milwaukee and 200 miles from Chicago. Greater Green Bay is a regional center for healthcare services, transportation, higher education, broadcast communications, as well as all types of service, retail, and manufacturing activity in Northeastern Wisconsin. With a population of approximately 102,000, Green Bay has all the advantages of a big city, while retaining the charm of a safe, family-oriented community.

- Brown County has a population of 230,000, and a regional referral population of 500,000+
- 1999 All-America City
- Top 10 safest cities (with population over 100,000)
- Top 30 kid-friendly cities in the U.S. by Zero Population Growth
- Top 50 Reader's Digest Best Places to Raise a Family
- Top 125 Best Places to Live by Money

Recreational activities are plentiful in any season. Boating and fishing on one of the many area rivers, the bay of Green Bay, or Lake Michigan are popular activities during the warmer months for the sports enthusiast. Nature lovers can take advantage of the scenic countryside by hiking, bicycling, or camping. In the winter months continue to enjoy outside recreation by sledding, cross-country or downhill skiing, or if you prefer, snowmobiling along one of the many trails that crisscross the countryside. The region boasts many resorts that attract visitors from neighboring states.

Sports fans have plenty of opportunity to watch professional games, including Green Bay Packers football, Timber Rattlers minor league base-ball, the Green Bay Bombers indoor football, and the Green Bay Gamblers hockey.

Green Bay is also home to a world-class performing arts center, two symphony orchestras, comedy clubs, museums, zoos, and a wildlife sanctuary. The University of Wisconsin - Green Bay and St. Norbert's college add to the local amenities.
